Cover your mouth when you sneeze. Then, wash your hands.

Get a tissue please. Then, wash your hands.

Cover your mouth when you cough. Then, wash your hands.

Get those germs off. Wash your hands.

After you go to the restroom you know to wash your hands. Wash your hands.

Before you eat, you know you need to wash your hands. Wash your hands.

With warm water and soap, I scrub, scrub scrub.

Between my fingers, I rub a dub dub.

I scrub underneath my fingernails and

I make sure I get the top of my hands.

When I touch a chair and you touch it too

My germs spread from me to you.

So I scrub scrub scrub scrub scrub scrub scrub

Keep scrubbing, keep rubbing with a rub a dub dub.
